***FDOT District Six Secretary***

Gustavo "Gus" Felix Pego, P.E., was appointed District Six Secretary for the Florida Department of Transportation on May 8th 2008. He is responsible for the overall planning, design, construction, maintenance and operations of the State Highway System in Miami Dade and Monroe Counties. He is the steward of a budget exceeding \$3 billion in the five year work program with a streamlined staff of 503. He is leading a team that is transforming South Florida roadways by enhancing safety, reducing congestion, improving mobility and enhancing travel choices on the State Highway System; while fostering economic prosperity. Currently he is spearheading projects such as the Miami Intermodal Center, the SR 826/836 Interchange, and the Port of Miami Tunnel as well as the district's Intelligent Transportation System and the 95 Express Managed Lanes.

A graduate of the University of Florida (BSCE 1978) and a seasoned civil servant of 32 years with the Department of Transportation, Mr. Pego has served the community working through the ranks in positions of increasing levels of engineering and leadership responsibilities within the district's systems development and operations divisions. Gus has lead all recovery efforts in both counties and has always played a key role in restoring our community throughout the devastations sustained by natural disasters, such as Hurricane Andrew.

As District Secretary, Mr. Pego serves on the Department's Executive Board, as a Board Member of the Miami-Dade Expressway Authority (MDX), the Miami-Dade Metropolitan Planning Organization (MPO), and the South Florida Regional Transportation Authority SFRTA). He also serves on the Engineering Advisory Boards of the Florida International University and the University of Miami. Mr. Pego actively plays a leading role in the Florida State Employees Charitable Campaign serving on numerous occasions as Co-Chair and Chair with the United Way of Miami-Dade.
