MEDIA RELEASE

For Immediate Release:
May 30, 2008

Contact: Liz Fernandez
305-219-9039

**CORRIDOR BEAUTIFICATION OF
SR-953/LEJEUNE ROAD (NW 42ND AVENUE)
FROM SR-836 TO NW 28TH STREET
BEGINS JUNE 2, 2008!**

Miami-Dade County, Florida – On June 2, 2008, contractors for the **Florida Department of Transportation (FDOT) District VI**, will begin the LeJeune Road Landscaping Project. This effort is part of Miami Intermodal Center’s Program and the Department’s continued commitment to “preserve the quality of our environment and communities”. Approximately \$4.7 million dollars worth of landscape materials, decorative treatments, new irrigation and lighting system will be installed in the median and along both sides of LeJeune Road between SR-836 and NW 28th Street.

This work should take approximately 16 months to complete. We ask for your patience and cooperation while this work is underway since planting and other project-related work might require closing travel lanes during non-peak hours (9:00 A.M. to 3:30 P.M. and/or 10:00 P.M. to 5:30 A.M.). Access to businesses will be maintained at all times. Please note, however, that this schedule is tentative and might be impacted by bad weather and other unforeseen circumstances. Motorists might experience delays when traveling through this area. Please be assured that every effort will be made to minimize the impacts this work might have on traffic in this busy area.

“Motorist are encouraged to call 511 before they drive or log on to 511southflorida.com to get real-time traffic and lane closure information”.

For more information, contact Liz Fernandez, MIC Senior Comprehensive Community Awareness Program Coordinator, at (305) 219-9039 or visit the project website at www.micdot.com.
